

Admissions Policy 2027-28

The Academy Trust is the Admissions Authority for East Herrington Primary Academy. This means that applications sent to them by the Local Authority are considered either at Trust level or by the school under delegated authority, according to the criteria as stated below. This policy has been agreed following consultation between the Academy Trust, all other Admissions Authorities in the area and interested parties and parents through our website.

This policy gives regard to the "School Standards and Framework Act 1998, as amended by the Education Act 2011," "School Admissions (Admission Arrangements and Co-ordination of Admissions Arrangements (England) Regulations 2012" and "School Admissions Code, 2021".

Reception applications must be made on the Common Application Form (available from the Local Authority) by the determined closing date and an offer will be made by the Local Authority on behalf of the school on the National Offer date. Applications received after the closing date will only be considered after all those received by the closing date have been considered. Parents must indicate which category they are applying for and should provide supplemental evidence in support of the application. This will enable an informed decision to be made.

Parents (a parent is determined as a person with parental responsibility) have the right to express a preference for a school of their choice. In the first instance all preferences expressed will be considered on an equal weighting basis, but where a child is eligible for more than one place it will be the highest ranked school/academy for which they are eligible that they will be offered.

Children who have an Education, Health and Care Plan which names East Herrington Primary Academy will be admitted.

The Admissions policy is applied if the number of applications exceeds the number of places. We will admit 60 applications in accordance with the following criteria in the following order of priority:

1. **A 'Looked-after' child** who was previously looked after but immediately after being looked after became subject to an adoption, residency/child arrangement or special guardianship order – a child that is 'looked-after' by a Local Authority in accordance with Section 22(1) of the Children's Act 1989 and a child who was looked after, but ceased to be so, because of adoption (or become subject to a child arrangements order, residence order or special guardianship order) and a 'Looked-after' child who appears to the Admission Authority to have been in state care outside of England and ceased to be in state care as result of being adopted – a child is regarded as having been in state care in a place outside of England if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society.
2. **Siblings** - Children who have an older sibling attending the school at the time of their admission. Sibling refers to a brother or sister, half brother or sister, adopted brother or sister, step brother or sister and foster brother or sister living at the same address as the sibling in school. The child of the parent/carer's partner is also classed as a sibling if the

child for whom the place is sought is living in the same family unit at the same address as that sibling.

3. **Feeder school** – children who attend the Nursery class at East Herrington Primary Academy in the previous academic year to admission into Reception.
4. **Neighbourhood places** - Children living near the Academy will be admitted using the selection criteria measured by the shortest, safest walking distance. Distance will be measured from the centre of the child's home address (including flats) - taken to be the address in which the child mainly resides - to the main entrance of the school (either Balmoral Terrace or Charter Drive – whichever is the closest) using the Local Authority's computerized measuring system (GIS – Geo-Information System). Those living closer to the school will receive the higher priority. Proof of residency may be sought in the form of a Council Tax Bill or electoral role eligibility. No other means of proving residency will be accepted. Requests for evidence will be sent to applicants following the national closing date for Reception applications. Reception places awarded under “neighbourhood places” will be offered to those able to provide proof of residency in the first instance.

Tie Breaker: if in any category there may be more applicants than places available, the shortest, safest walking distance from the child's home to the school measured using the Local Authority's computerised measuring system will be used according to criteria in these categories.

Parents who are awarded a place for their child may request that the date their child is admitted to school is deferred until later in the year or subsequent year, for example until the start of the term when the child reaches compulsory school age. Parents can also request that their child takes up the place part time if it is in the interest of the child, until the child is of compulsory school age. In this instance, parents must discuss this with the Head of School. Compulsory school age is determined as the term after the child's fifth birthday.

Notes and supplemental information:

- If there is an incomplete application for a child, in circumstances where parents cannot agree on a preferred school or the main address where the child resides, the application will be suspended until parents agree. This will mean that if the closing date has passed, your child will not be considered in the admission round and if all places have been allocated then your child will not be given a place.
- Information given by parents which is found to be intentionally fraudulent will result in the offer of a place being withdrawn.
- The Trust, or the school acting under delegated authority, is required by law to consider the information supplied on the application form and the supplemental information asked for. It is very important that you take great care to ensure the details you provide are complete and correct before submitting them. Any advice or support you require in completing this form can be sought via the school office.
- Parents who are unsuccessful in securing a place for their child at the Academy have a statutory right of appeal. Further details of the appeal process are available by writing to the Academy address. Appeals are heard by an independent panel.
- Children who are unsuccessful in securing a place at the Academy will be placed on a waiting list which will be held in conjunction with the local authority. Should a place become available then the admissions criteria will be applied again to every child on the waiting list at the time of the vacancy.
